LIFE PATH, CAREER - *Open your Eyes*

This month, people will feel attracted to the wisdom of those following their truth and who seek to make this place a better world for the highest good of all. Following one's truth is a sign of respect and strength. It is only when you live your truth that you can be an example to others.

LOVE, RELATIONSHIPS - *Connect with the Stars*

We are stardust. Look at the sky filled with millions of stars and wonder where did we come from? Talk and connect with stars as you go to bed and look at them through your window. Ask them to guide you to meet your soul mate for those who are single - or - support your current relationship for those in couple.

RESPECT, FAMILY, HEALTH, PAST - *Nature*

Problem or challenged with your current health situation? Nature will pick you up! Walk in the park or in your garden and gently caress a young plant, go out for the day to a National Park and be with Nature. Nature is your best medicine!

ABUNDANCE, WEALTH & MONEY - *Blue and Green*

Whenever you worry about your finance, wear emerald green and purple blue. These colours will help you focus on positivity and you may well see new opportunities coming your way! In the meantime, no dramas, you perfectly know that you don't need much to be happy.

YOU - *Passion*

There is a little voice coming from your heart that instigates you to live or revive your passion. What are you waiting for!?

HELP, HELPERS, TRAVELS - *Speak*

You are offered an important speaking engagement where you will be able to voice what is important (for the highest good of all). Prepare your talk carefully, even if you have no idea when this request will come, and out of nowhere... it will appear!

IDEAS, CHILDREN & PROJECTS - *Loving colours*

You add colours and joy to your projects. You purchase new colourful clothes for your children. This month is filled with joy, make the most of it!

SPIRITUALITY, STUDY, OPENNESS - *Reiki*

This month again like last one, Reiki strongly appears. Have you booked your Reiki session yet? Have you looked into learning this technique?

WELL-BEING, SELF CONFIDENCE, RECOGNITION - *Healing a broken Heart*

You may have had a broken heart for a while, this month you manage to move on and look at the bright side of life. You are healed.
