**LIFE PATH, CAREER - Phoenix**

Like the phoenix, you are reborn from your ashes. The past few weeks, you felt a little stuck and you took time to cocoon, did some researches and put your current life into perspective. During May, the opportunities arise and the idea of changing your life style and/or your career, are now emerging.

**LOVE, RELATIONSHIPS - Forgiveness**

Forgive and your burden will lift. Whoever, in a past relationship, may have hurt you... it is you who are still carrying the weight of that sadness. People often refer to "*a weight on your shoulders*", I'd say it is also "*a weight on your lungs*". Forgive what those previous partners, lovers, friends, said or did and you will be free from your suffering and will breathe again freely and abundantly.

**RESPECT, FAMILY, HEALTH, PAST - Your Palace**

Turn your home into your palace - yes, it is your castle! Only surround yourself with quality and happy memories.

**ABUNDANCE, WEALTH & MONEY - Overspending**

When you shop and see an item that you feel attracted to, ask yourself "*Do I really need it? Can I live without it?*" You become more aware of over-consumerism and all the rubbish that we throw back into the dump sadly filling our planet. Time to watch (again) *Wall-E* (Walt Disney movie) a great kids movie with plenty of messages for us all.

**YOU - Ideas**

Creativity is the key to your balance during this month of May. Paint, craft, clean, move furniture, change decor or do anything else that your heart fancy!

**HELP, HELPERS, TRAVELS - Befriend a rock**

Ask a rock to choose you - yes indeed, you are not the one choosing this time - you will feel the attraction! For one month, every night as you go to bed, take this rock in your hands and talk to it. Tell it the best thing that happened to you that day. Place the rock onto your bedside table till the morning, then take it with you in your pocket or leave it there as you wish. See how better you sleep and how *rock magic* brings joy into your life.

**IDEAS, CHILDREN & PROJECTS - Learn the Power of Prayers**

Whatever denomination or beliefs you live, teach children the power of prayers and the first important key: gratitude!

**SPIRITUALITY, STUDY, OPENNESS - Interested**

A new spiritual perception crosses your path and you are feeling keen to learn more.

**WELL-BEING, SELF CONFIDENCE, RECOGNITION - Pink and green**

Whenever you feel down, wear light green and/or pink clothes and/or underwear (they are closer to your skin). Same applies for gentlemen! Yes, a good excuse to go shopping for the right colours now. Then you will ask yourself... Do I really need them? :D
