

Feng Shui

Intuitive Predictions

June 2017

Roseline Deleu

LIFE PATH, CAREER - *Do something else*

Feeling stuck, thinking that you are going nowhere? When you always do the same old same old, you get yourself stuck in a rut. This month of June encourages you do things differently, to look at life from another perspective that could well lead you on a new path. :)

LOVE, RELATIONSHIPS - *Wedding talk*

In the next few weeks you are going to hear a lot of talk about weddings! Whether it is yours, one that you are inviting to attend or some of your friends excited to go to a wedding. The upcoming weeks are about people committing. How beautiful!

RESPECT, FAMILY, HEALTH, PAST - *Stars*

When your health is challenged, look at the starry night. Connect with the stars because you are stardust. You find a way to get help from the stars and get better soon - you and you only have the key to solve some of your challenges.

ABUNDANCE, WEALTH & MONEY - *Spending to enjoy*

Spending or not spending - that is the question! You have questioned why saving money while you'd actually like to go on a trip. Life is about being happy not having material possessions. Enjoy being, every moment!

YOU - *Magic moments*

Magic moments following omens that are crossing your awareness. A very important month. Be open. When in doubt, follow your heart.

HELP, HELPERS, TRAVELS - *Know what you want*

Decisions, decisions. You know what is right for you and for the highest good of all. Not all your current friends are on the same page and don't understand your generosity and your vision for a better world. You decide which friend to keep and which one to drop. Facebook pages are ready for a good clean out!

IDEAS, CHILDREN & PROJECTS - *Asia calling?*

There is something about Asia this month! Maybe going to an Asian restaurant, maybe organising a trip to Asia, buying a piece of Asian art, or maybe meeting Asians for a new project? Some of you may consider a Feng Shui consultation or a Feng Shui course with me - who knows.

SPIRITUALITY, STUDY, OPENNESS - *It's about 'balls'*

Daring. Taking your responsibilities. Being aware of actions and consequences.

WELL-BEING, SELF CONFIDENCE, RECOGNITION - *Protection*

Stay true to yourself, your values and your priorities (with in mind the highest good of all) and you will be protected.

June 2017 – Stay true
