**LIFE PATH, CAREER – *Elephant***

As solid and majestic as the elephant stepping in the bush, you too are walking in the right direction, the one that you choose. Your choices, you make them yourselves – never give your decision power away! To remember this, save a photo of an elephant onto your computer or phone screen for this month.

**LOVE, RELATIONSHIPS – *Drum***

Tensions in your couple or partnership? Fed up with celibacy? Play the drum or any instrument made with skin. Beat that drum and at the same time repeat the positive mantra that you created, that corresponds to your wish list and that only involves yourself (nobody else).

**RESPECT, FAMILY, HEALTH, PAST – *Good cells***

Your change of attitude now allows the good cells to multiply inside your body. And yes, you'll have to shift attitude for this to happen!

**ABUNDANCE, WEALTH & MONEY – *Goal matched***

You gave yourself a small budget and you reached it this month, well done! You'll probably feel like increasing the amount for next month now...

**YOU – *Six pack***

You start a new routine and take care of your body. A series of abs today, increase them by 10% tomorrow and increase again every other day following. You'll feel revived because exercise is good for your body and for your happy moods too!

**HELP, HELPERS, TRAVELS - *Draw***

Draw an angel, colour it and place this little piece of paper in your wallet. Take it out each time you need...  
Ask, you shall receive!

**IDEAS, CHILDREN & PROJECTS – *Good health***

Projects and children all in good health this month! All is well.

**SPIRITUALITY, STUDY, OPENNESS - *Fire***

Sit around a fire. Make yourself a promise. Write it at the back of your angel drawing. Add the date. Future will tell.

**WELL-BEING, SELF CONFIDENCE, RECOGNITION – *All is possible***

Why choose limitation while all is possible. The Universe is filled with abundance and there is plenty for everybody!

***August 2017 – Exercise your abs***
